

## **WHO WOULD YOU BE?**

*by Nat Christian*

I've recently acquired PMLPD Syndrome. So - once in a while I jot down superficial musings (along with constantly rewriting my scripts).

Here is one I've had.

Since the movie "THE GODFATHER 1" came out, in many families the male members like to choose who they would be...

Don Corleone" or "Sonny" or "Michael" or... "Fredo."

No one ever wanted to be Fredo.

So, a while back I put my thinking cap on. The cap being a bowl of cool whip with some peanut butter and kernels of Fiber One cereal (for crunch) mixed in. Makes one think logically...

Don Corleone got shot up when buying a freakin' apple (or whatever) on the street.

Sonny gets shot with 850 bullets up his ass.

Michael watched his wife get blown up into a thousand pieces (along with that nice car).

Where's Fredo? Fredo is in Vegas "bangin' cocktail waitresses."

I'm thinking Fredo is the way to go?

Just sayin'.
